## Identical letters dated 19 February 2018 from the Permanent Representative of the Syrian Arab Republic to the United Nations addressed to the Secretary-General and the President of the Security Council

Upon instructions from my Government, I have the honour to submit herewith a table clarifying the number of civilians killed and injured as a result of rocket-propelled grenades and mortar shells launched by armed terrorist groups against safe neighbourhoods in Damascus during the period from 22 January to 12 February 2018. These terrorist attacks have killed 44 civilians and wounded 158 others, mostly women and children, as well as causing serious damage to public and private property and infrastructure.
